

As an employee of ASU/ASUF/ASUEP, you can support ASU through regular gifts that are automatically deducted from your paycheck. Your investment sends a powerful signal that those with the most intimate knowledge of the university have confidence in its mission and impact.

The support you provide can make a genuine difference at ASU, helping the university to both recruit and shape the great minds that will create the solutions to the challenges of our time.

I want to invest in ASU through payroll deductions. Please use the following information to start my staff/faculty payroll deduction.
